

# Remembrance Plaques

A remembrance plaque allows you to establish a physical memorial, while keeping your loved ones ashes elsewhere. A remembrance plaque can help those who are still here to feel connected to a loved one after they have passed. We offer different sites throughout our gardens for remembrance plaques, ranging from stunning sculptures in our contemporary gardens to tree memorials in our more traditional gardens.

## Locations

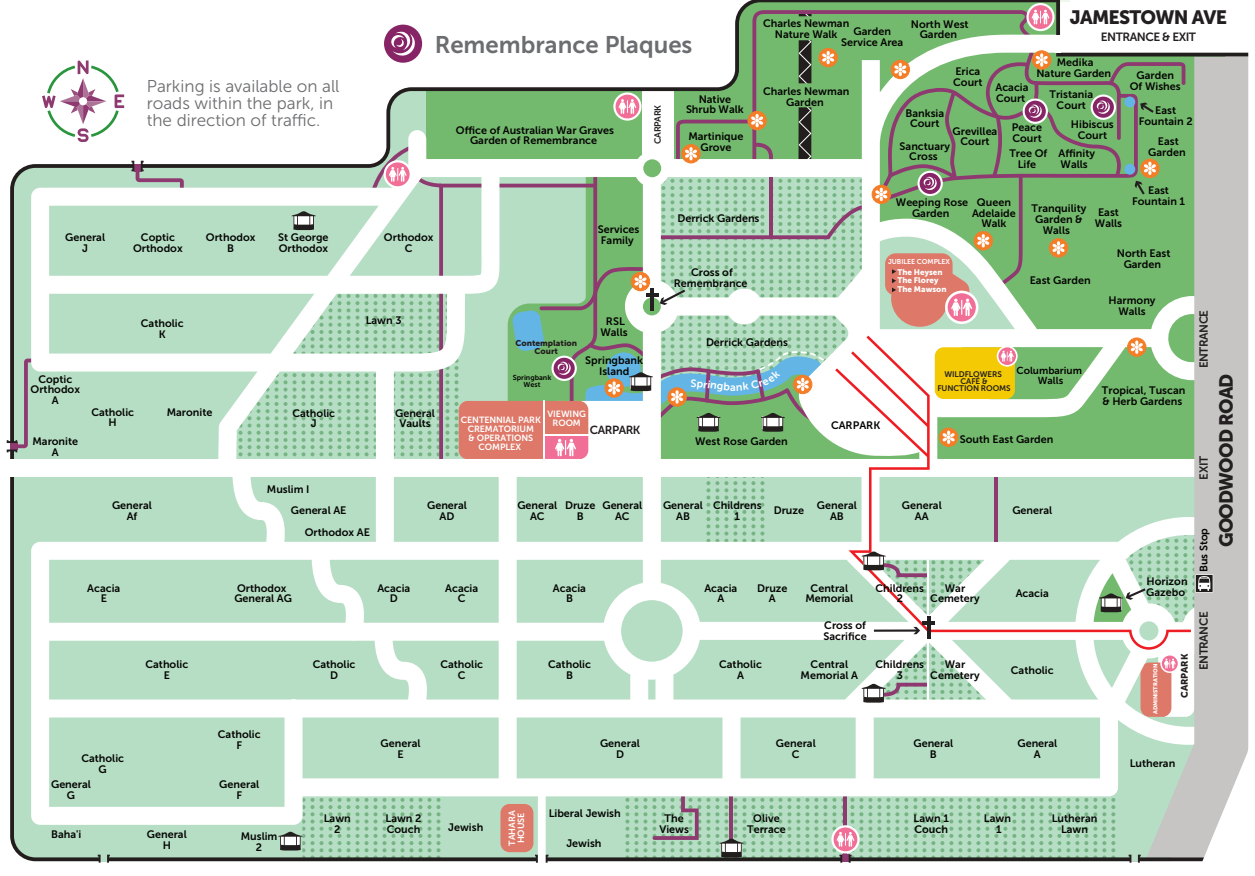

Tristania Court | Peace Court | Weeping Rose Garden | Springbank West

## Memorial Options

Sculptures, Garden Edge
