Cremation and Ashes Memorial

A place to visit and remember

Cremation

We take pride in providing a first-class cremation service with the deceased and their family's dignity and care top of mind.

Cremations will take place as soon as practical; families should be advised that cremation may not occur on the day of the funeral service.

Adults	
13 years and above	\$510
Infants and Children	
Perinatal cremation up to 28 days old (Perinatal twins can be cremated in the same coffin with no extra charge)	\$200
Infant cremation (1 year and under)	\$200
Child cremation (12 years and under)	\$250

Contemplation Court

A temporary ashes memorial area.

Without a physical place to visit, family and friends can often feel lost while mourning the loss of a loved one.

Our cremation service includes the placement of your loved one's ashes at Contemplation Court, our temporary ashes memorial facility. Contemplation Court provides a peaceful and reflective place for people to visit for up to six months after the cremation and until final decisions are made about a permanent memorial.

Centennial Park is proud to be the only cemetery in South Australia and the first in the country to offer this service.

Ultimately, a longer-term memorial provides an ongoing physical anchor point to enable enduring connection to life, renewal, and hope.

For further information please contact our team on 08 8276 6011.

General Cremation and Ashes Memorial Information

Please note that your loved one's ashes can also be interred in burial positions at Centennial Park.

We highly recommend that families speak with us to arrange an appointment to visit Centennial Park to look at all the different options available to ensure their needs are met.

While all memorial gardens at Centennial Park are irrigated, not all burial areas are. This is another reason to contact us to find out about all the options available.

A Plain English Statement (CCASA Form) must be completed by the proposed Interment Right Holder, for all new ashes Interment Rights, before an interment can occur.

There are specific monumental (e.g. plaque, headstone) requirements in particular burial and ashes memorial areas.

Cardboard Coffin

Cardboard coffins, typically made with layered honeycombed cardboard, produce significantly more ash than wooden coffins through the cremation process. This may result in two cremation containers/urns being required.

Interment Right Holder

The rights and responsibilities are defined in the Plain English Statement Form. The family must decide who will be the Interment Right Holder, as only the Interment Right Holder can authorise interments and monumental work (headstones, inscriptions, plaques, etc) at the position.

Transfer of Interment Right Declaration Form

A Transfer of an Interment Right is only permitted with the approval of Centennial Park.

A Transfer of Interment Right Declaration form must be submitted to Centennial Park.

A Transfer of Interment Right Declaration form must be completed before the re-opening of a grave for an additional interment, where the Interment Right Holder is deceased.

New Ashes Interment Rights

Interment Rights for new ashes positions are issued for a minimum of 30 years with the option for longer tenure or perpetuity (forever).

Additional Tenure

Families may at any time add tenure (years) to Interment Rights with a minimum of 5 years to extend or renew.

Perpetuity (forever)

A Perpetual Interment Right ensures a burial or ashes memorial will remain forever, with no need for future generations to renew.

All prices are correct at the time of printing and may be subject to change.
